Received by FPPVAC staff _____

Submission Guidelines:

1. Amateur and professional films are accepted.
2. Films must be at minimum of 60 seconds in length and no longer than 10 minutes and should be new to our Film Festival.
3. All films must be submitted in digital (mp4) format on a flash drive or DVD. Links to YouTube or Vimeo will be considered for judging, but not for public viewing. These materials will be available for return during the festival for pick-up by film makers; items left after January 30, 2027 will not be returned.
4. The theme of 2027 Cabin Fever Film Festival is “Ten”, in honor of our Tenth Anniversary. We encourage filmmakers to include “easter eggs” of the number 10 in their films, creating a scavenger hunt to audience members watching the films. For example, a carton of eggs with only 10 eggs, the number 10 on a bulletin board, the clock showing the time as 10:00pm, 2 hands showing 10 fingers, etc.
5. The 10th Annual Film Festival will be held January 29 and January 30, 2027. The slate of films will be determined by January 11, 2027 and announced to the public by January 15, 2027. The time and date of films shown will depend on number of films received, length of films, variety of subject matter, etc.
6. All films will be reviewed and juried into a smaller selection of films for audience voting. Votes from Friday & Saturday will be tallied and one winner will be announced after the screenings on Saturday. There is only one prize of \$600 award.
7. Films must be submitted by December 10, 2026 at 5:00pm to Franklin Park Arts Center, 36441 Blueridge View Lane, Purcellville, VA, 20132. Entry fee is \$10 for first film, \$5 for each additional film. Checks payable to COUNTY OF LOUDOUN, cash or credit card accepted. Late entries will be accepted through December 18, 2026 for a fee of \$15/film.
8. Film makers should consider that the Cabin Fever Film Festival generally attracts a family audience. While we typically do not censor artists, we do reserve the right to refuse to accept or screen films that we feel would be harmful or not in keeping with the intent of this event.
